FINALIST**

For a fun and laid back wedding on our working farm

Your story begins here...

We are delighted that you are considering holding your wedding here with us at Bennetts Willow Barn. We would love to help you celebrate the first day of your new lives together with an epic wedding celebration that you and your guests will remember forever.

We receive excellent feedback and testimonials about our customer service - our wedding co-ordinators do an incredible job of holding our couples hands' through the wedding planning process and co-ordinating their day. We are just one of 3 venues to make the regional finals for the national Wedding Industry Awards 2025 for Best Barn Wedding Venue in the West Midlands, which is judged largely down to customer feedback. So you can trust us to look after you and help you plan your Best Day Ever!

Say "I do" in our stunning barn or outside under our rose covered pergola. Eat, drink and be merry surrounded by the rustic charm of our unique and spectacular yurt marquee. Play games, sip Pimms & Prosecco, and lounge in deckchairs in our beautiful garden. Toast marshmallows around the fire pit after dusk. Dance the night away amongst the fairy lights in our barn. Sleep in Mongolian style yurts an easy walk away, and then wake up and want to do it all over again!

Our Barn ...

Our barn provides the perfect light and airy space for an indoor licensed ceremony or a blessing. Maximum seated capacity for a legal ceremony in the barn is 100.

Enjoy a seated meal in our barn, with banquet style seating, a popular option on our wooden trestle tables with limewash chiavari chairs. Maximum capacity for a seated meal in the barn is 70.

Dance the night away under our fairy lit, hand crafted oak beams with the benefit of our air conditioning system. Enjoy a band, DJ or even a ceilidh. Maximum unseated capacity in the barn is 100, but 160 if you also have the yurt marquee & garden in your booking.

Our Yurt Marquee

Our unique yurt marquee is surely something your guests will always remember. We love hearing the "wows" when people walk in! It can seat up to 140 guests, using our rustic wooden trestle tables and limewash chiavari chairs.

The handcrafted oak frame with colourful bunting, chandeliers and fairy lights create a fun atmosphere before you even add any of your own decor, meaning you can keep your styling simple.

Our spectacular yurt marquee really provides that "wow" factor for you and your guests. It hosts a licensed bar during the daytime and has plenty of room for entertainers, come rain or shine, giving you excellent rainy day "plan b" options alongside your main aim of an outdoor celebration.

Our Garden

Our garden has plenty of space for fun and games, and it's a fabulous space for an outdoor ceremony and for your guests to have something to "do" during your party. Our garden games, including vintage croquet, limbo & giant jenga, are provided with garden bookings as a complimentary extra for you.

Our yurt marquee garden is a perfect size for an outdoor wedding. It's not so big that guests wander off and get lost, and the toilets are nearby. Play games, enjoy an outdoor arrival drinks bar, and sip cocktails on our deckchairs in the sunshine during the daytime.

Our fairy lights & festoon lighting add to the party atmosphere from dusk, and we include marshmallows for toasting around our fire pit for the evening as another complimentary extra.

Glamping

Our neighbour on the farm, Worcester Glamping, is perfectly situated for accommodation the night before and after your wedding, for you and your guests.

Stumble into bed after a long day celebrating, and enjoy the Worcestershire stars, ready to wake up with friends and family the next day to relive the wedding party together over breakfast.

There are 10 Mongolian style yurts, and you can book 5 or all 10 of them, passing on the cost to your guests if you wish. Each yurt sleeps up to 4 adults, in real beds.

Please note that glamping accommodation is an additional cost.

Your happily ever after too...

Our wedding business began back in 2016 with our very own wedding on Tristan's family farm.

Tristan built our yurt marquee so that we could have our own wedding party at home, but without hiring a traditional marquee. The main priorities for us were having all of our family and friends around us, having an amazing time, with great food and a great atmosphere. Our yurt marquee quickly became popular amongst locals as a wedding venue with a difference, allowing couples to be flexible and have a really fun day in a unique setting. So we started hosting other people's weddings, too!

Several years on, we have now hosted so many weddings that we have lost count of the number, but we remember snippets of each one. Our venue allows couples to stamp their own personality on their day, and it's those elements that we remember. We adore sharing our wedding venue with each and every couple who choose us to host their day. The only problem is, it makes us want to do ours all over again!

Having celebrated our own wedding here, we understand what will be important to you, and we love sharing our venue with you to make sure that you have as much fun on your day as we did!

Stefania & Tristan Bennett

Why choose us?

We are a wedding venue with a genuine difference, oozing rustic charm in our unique yurt & barn. You and your guests will be wowed by our spaces, and they will remember your wedding day for all the right reasons. We have a laid back and flexible approach - we want you to have the wedding day you want, and we love working with laid back couples looking for a fun and relaxed venue. And our amazing team, shortlisted for the national Wedding Industry Awards for Best Barn Wedding Venue, will look after you amazingly well and help you along the planning stages for your wedding.

Testimonials

Charlie & Dwayne

“Honestly we wouldn’t have wished for a better venue for our special day!

Everything from the pre-planning stages all the way through to the day itself was flawless! The team at Bennetts are amazing- so professional and so friendly. They will absolutely ensure your day is nothing but perfect. Lucy, our planner, helped guide us and gave amazing suggestions which helped elevate our day. She made it the most stress free experience and was great with communication and answering our millions of questions! We couldn’t have done it without her, she was absolutely epic! The venue itself is so gorgeous and decorated so beautifully. The garden was stunning and the flow through the whole venue just worked so well. All the staff on the day were brilliant and all our guests said it was the best wedding they had attended !

Thank you so much for making our big day more amazing than we ever imagined. We cannot recommend Bennetts enough!”

Farah & Callum

Where do we even start with how thankful we are for you?!

As you know, our wedding was very DIY – all the prep was done by us, we didn’t hire anyone to dress the venue, so we were reliant for friends, family and you guys to bring our vision to life. And you definitely delivered! Our day was everything we wished for and more, and we will forever be thankful to you for that!

We felt calmer, just by having you involved in organising and planning our day! From the planning meetings, to emails, to telephone calls. Any question we had; you knew the answer to. You knew our wedding like the back of your hand, which was super reassuring.

You were a gem on our wedding day. Nothing was ever too much. You didn’t stress when the rain came, you had contingency plans, and before we even had time to work out what needed to be done, it was already done!

Thank you for creating such a beautiful venue. Our guests commented non-stop on how stunning it was, despite the thunderstorms! In the evening, so many of our guests went for a walk, to take in the beauty and enjoy golden hour. Some of our guests even just sat watching the cows for a while!

Testimonials

Naomi & James

We can't thank you enough for all of the Bennetts team's hard work on our wedding day. Everything was perfect and what we always wanted. From the first meeting to the 4 month turn around you were fabulous!

We knew we had absolutely nothing to worry about on the day and both me and James could enjoy it all with our guests. Everybody loved all the food you provided and drinks that were flowing and loved the relaxed atmosphere of the wedding and venue. The ice cream cart was a particular favourite of mine and It was all a dream come true!

Glamping was the added icing on the cake- waking up from the night before with all your nearest and dearest chatting about it all and ready for your lovely breakfast. It made such a fun addition to the wedding.

The best venue and the best team!
Thankyou again for all of your hard work.

Becky & Josh,

We really can't thank you enough for making our wedding day so magical. With only having just a few months to plan our wedding, you made things so easy for us and guided us every step of the way. Special thanks to Charlotte for always being there to answer our questions and going above and beyond on the day.

Even when the rain poured on the day, you knew exactly what to do to ensure us and our guests had a magical time. The yurt marquee looked amazing and the garden looked exquisite at dusk, allowing us some amazing photographs where we embraced the rain!

The grazing table and ploughman's were presented so beautifully, almost too good to eat! The atmosphere in the marquee during our speeches was perfect.

We wouldn't hesitate in recommending Bennetts Willow Barn to all of our friends. It really is the most magical venue with the friendliest staff who go above and beyond to give you the most perfect day.

To top it all off we had an amazing stay at Worcester Glamping on our wedding night and were treated to the most delicious breakfast in bed.

Thank you to everyone at Bennetts for giving us the most magical wedding day to remember.

Food & Drink

We offer a wide selection of food options depending on your style & budget, all freshly prepared in our own kitchen. Choose from a buffet style afternoon teas, ploughmans picnic table or an antipasti grazing table. Or a hog roast or freshly baked pizzas are evening food favourites and a great choice for couples wanting to avoid a formal sit down meal.

Sustainability is important to us, and all of our food is sourced from local producers where possible. And we serve delicious Bennetts Ice Cream, made here on our farm using milk from our own cows.

Allergies & dietary requirements can be catered for. Child options are available upon request.

You are welcome to bring in outside caterers if you have a favourite street food van you would love to have at your wedding. They must be approved by us so please check before you book them.

Generally, all drinks must be purchased from us, so we don't usually provide a corkage option.

FAQs

Do we have to pay anything extra to hold a ceremony? Not to us, whether you are holding a legal ceremony or a celebrant led ceremony. You will need to pay fees to the registrar or your celebrant, so please do check with them.

Can I hold my ceremony outside? Yes - we are even licensed for legal ceremonies outside! If you choose an outside ceremony, we do suggest you have a back up plan for the barn or yurt marquee in case of bad weather.

Are dogs welcome? Absolutely. We are a dog friendly venue inside & outside.

Do you allow Chinese Lanterns or Fireworks? Sadly not. They pose a risk to our cows and surrounding farm buildings.

Can we use candles? Yes, you may use non-drip candles in secure bases or holders.

Can I book extra time for setting up or clearing away? We are able to extend your hire time to allow for longer than usual time for setting up or clearing away, subject to availability. Please speak with your co-ordinator for options and pricing.

Can we bring in outside suppliers? You certainly can, including outside caterers if you really want to use someone else that you love, like a favourite street food van. But they will need to be approved by us & self sufficient - we can only provide them with water and basic electricity.

Can we bring in our own drinks? All drinks to be purchased from us, please. If you want to provide mini spirit bottles as wedding favours, we charge a corkage fee of £2 per adult guest. If you have a particular cocktail van that you really want to include in your celebration, please let us know and we can look at coming up with a bespoke corkage plan.

What's the maximum capacity? Across the barn, yurt marquee and garden together our maximum capacity is 150 guests for a spring, summer or autumn wedding. Our maximum guest numbers for the daytime of a winter wedding, where we use our barn only, is 60, with a maximum of 100 for the evening.

What are the finishing times? We have a midnight finish on a Friday & Saturday, and 11pm finish on a Sunday to Thursday. Last orders at the bar are 15 minutes before closing time. Any party music (your band or DJ) must finish 1 hour before close, with background music allowed for the next half an hour. This is all in line with our licensing conditions.

Are there any suppliers you can recommend? We have a number of suppliers we have worked with before and love! Please ask your wedding venue co-ordinator for our recommendations. We don't get any kick-backs from our recommendations, they are just suppliers we genuinely love!

Anything else I need to know? We are unable to allow amplified music in the yurt marquee or garden. Amplification can be in the barn only.

We will give you a contract with full terms and conditions before you commit to choosing us as your venue; please do make sure you read through this carefully and we can answer any questions you may have,
